## Licensed Aircraft Maintenance Engineers (Vancouver)

KF Aerospace is proud to deliver innovative aircraft solutions for corporate, commercial and military customers worldwide. Launched 50 years ago out of Canada's Okanagan Valley, KF has grown to specialize in a wide range of aviation services including maintenance and modifications, air cargo operations, military pilot training and aircraft leasing. With facilities across Canada, KF is home to a 1,000 strong, highly skilled workforce. Our passion for our craft fuels every project we touch.

### YOUR EXPERTISE, IN ACTION

Performance. Precision. Possibilities. This is what we're offering for Licensed Mechanical AME's in beautiful Vancouver, BC.

As an AME-M, you'll be responsible for performing line and heavy maintenance on the KF Aerospace Fleet as well as line maintenance turns for our third-party customers. Using your thorough knowledge of engines, hydraulics, flight controls, landing gear, avionics, electrical generation, pneumatics and more, you'll troubleshoot and provide innovative solutions every day. Your safe and efficient work ethic will support KF's renowned standards of quality and service.

### REQUIREMENTS

We're looking for AME's who currently hold their M2 license, and are able to obtain a KF Aerospace ACA, a Radio License, and TC Airport Pass. If you have all of these and can manage the physical demands of the position, you're ideally suited for the AME-M role.

### BENEFITS
